Today's Teaching

Choosing Baptism

Today we read Acts 8:26-40. Below are some questions we used to guide our discussions.

1. Who did Phillip find, and what was this person doing?
2. How did Phillip respond to him?
3. What happened after the man heard the good news?
4. When should someone get baptized? **Jesus tells us to "repent and be baptized." So, we must first repent of our sin and acknowledge that Jesus is the one who saves and then we choose to be baptized to show what Jesus has done in us. Only people already saved by Jesus should be baptized. When we are sure that we've been saved by Jesus, and it's been confirmed by our leaders, then we choose to be baptized.**
5. How does knowing this text from the Bible affect you?

What Makes You a Christian?

Series Memory Verse

2 Corinthians 5:17

"Therefore, if anyone is in Christ, he is a new creation. The old has passed away; behold, the new has come."

Prayer as a Family

Thank God for giving baptism to us that through it we are able to show our faith in Him to others. Ask God to bless our family and help us to each know Him more, that we would honor and glorify Him with our lives.
